Samuel P. D. Anantadjaya, Timotius A. Rachmat, Irma M. Nawangwulan, P. Indra Tanaya:

We have reached a decision regarding your submission to Independent Journal of Management & Production, "The Use of Importance Performance Analysis (IPA) on Betawi Cultural Village in Setu Babakan, Jakarta, Indonesia".

Our decision is: Revisions Required

Best regards, Paulo Cesar Chagas Rodrigues Chief Editor, Independent Journal of Management & Production (IJM&P) E-mail: ijmp@ijmp.jor.br

Reviewer A:

Recommendation: Revisions Required

Grammatical criteria:

Please review grammar and orthography.

Theoretic based criteria:

I suggest the authors clarify how the results of this research and local trade experience does contributes to the evolving of the theoretical field of tourism destination management.

Methodological criteria:

I suggest the authors include the citations of some other researchers that utilize similar research method..

Analyzing Criteria:

I recommend that another colleague check the data presented if it is necessary.

Results and resorces:

That would be interesting to know if there are other destinations in the Pacific, for example, where similar research might be implemented.

Final general notes (pertinent comments and suggestions to the evaluated text).-----

Reviewer B:

Recommendation: Revisions Required

Grammatical criteria:

Grammatical review is necessary.

Theoretic based criteria:

In the article, the following text is written: "tourists are reducing their budget on other activities to spare as much as one-third of their budgets into culinary products (Saleh, Hermawan, & Chozin, 2013)". Since the publication is from almost 8 years ago, it would be important to find a more current information on the issue, to see if the affirmation continues up to now.

Methodological criteria:

Great.

Analyzing Criteria:

Great.

Results and resources:

Great.

Final general notes (pertinent comments and suggestions to the evaluated text).-----
