

International University Liaison Indonesia (IULI) has established a mutual agreement with PT Kang Guru Beruang to publish books and articles since August 1, 2016

2. Provide the necessary assistance to finalize the process of publications, including applying for ISBN, correspondence with related parties, preparation on the necessary designs, and safe-keeping at the Perpustakaan Nasional.
3. Provide the estimated time of completion per manuscript.

Both parties agree to separately discuss additional clauses pertinent to this memorandum of understanding to better enhance the processes and outcomes. Any additional clauses become inseparable sections of this memorandum of understanding.

This memorandum of understanding is made with a full consciousness without compulsions and unnecessary forces from any other parties.
