Dear Samuel PD Anantadjaya,

I wrote to you on 04.02.02. after your revision new comments:

Dear author, please format your article according to our rules:

1. Rewrite the abstract
2. Reference to sources in the article text should be given in square brackets instead of round brackets
3. The figures and tables should be designed correctly.
4. Reduce the list of references, leaving only the most relevant papers published in the last 5 years in highly ranked journals
5. Give references to Russian authors' works on the topic as well.
6. Specify the information about the authors, the orcid of each author and the declared contribution of the authors at the end of the paper.

Read more about this on our website in the section Rules for Authors <https://financefp.fa.ru/jour/about/submissions#authorGuidelines>

You did not answer me to this letter. Please revise your article in accordance with the listed remarks and send it to my e-mail.

Regards, Irina Dovgal,

Managing editor, **Finance**: Theory and Practice
