Dear Authors,

I am sending your article after technical editing for revision. Please rewrite the abstract according to our rules and make all references to tables and figures. Also you need to make a list of references in accordance with our rules. You can take as a sample the publication of your article in No. 5, 2023. Please take into account all the comments highlighted in red! I am waiting for the finalized version of the article in the nearest future.

Regards, Irina Dovgal,
